ANY NEWS FOR THE NEWSLETTER FOR 2015?

It is our goal to send a newsletter by the last week of each month to let everyone know what is happening at KRC and to let you know about events that will be coming soon! If you have any ideas for the newsletter, please put them in writing and give them to Chris or Troy.

NEWSLETTERS

If you have events for this year, news, birthdays, and Anniversaries you want to share, let us know! Thanks, Chris

Attention All Campers & Shareholders

The dumpster is for household trash only. Please don't place any items by the dumpsters. If it won't go in the dumpsters, it doesn't belong back there. If you have furniture or other items, such as appliances, old car parts, old mattresses or any other item too big for the dumpsters you must dispose of it yourself. Thank for helping keep the campground clean.

ATTENTION ALL CAMPERS!!! MAKE SURE WE ARE UP TO DATE!

During any evacuation for a flood, it is very important that we have correct phone numbers for our campers. Please stop by the office to see if you need to update your records with names, addresses and all telephone numbers. It is extremely important for the campground to have correct information for everyone — whether you are a monthly renter, a live-in or a shareholder.
Thank you!

DISCLAIMER

All mistakes are there for a reason. It tends to make everyone happy and I aim to please. ~ Chris

FACT OR FICTION!?!?!?

We hear that Benny Turner has been flashing the office at night.

IMPORTANT NOTICE— Deposits for next camping season must be in by September 1 due to the high demand for camp sites.

AUTO STICKERS AND VISITORS' PASSES ALL VISITORS/GUESTS MUST SIGN IN AT OFFICE AND GET A CAR PASS! NO EXCEPTIONS! ALSO, MONTHLY CAMPERS AND SHAREHOLDERS MUST HAVE A KRC AUTO STICKER WHILE ON THE CAMPGROUND!

Please be kind to your environment.

KRC is on a septic system and only #1 and #2 and toilet paper goes in the toilet.

ATTENTION SHAREHOLDERS!

A shareholder will be required to pay an additional \$5.00 late fee for any maintenance fee received after the 10th of the month! In addition, any shareholder more than 3 months past due in fees will not be able to camp at KRC until paid.

BOARD MEMBERS AND MEETINGS

Your FIG Board members are:
Jerry Vance, Chair
David Burlingham, Vice-Chair
Betty Whittaker, Treasurer
Chris Buford, Secretary
Troy Worley, Secretary
Billy Smith
Anne Smith

During the camping season, Board meetings will be held on the first Thursday after the first Monday of every month beginning at 6:00 PM. For the months of November-March, the meetings will be held on the first Sunday after the first Monday of each month at 1:00 p.m. at KRC.

Share holders may address the Board at any meeting, but please let Chris Buford know, in writing, on or before the 15th of the month what you wish to discuss at the Board meeting, so it can be added to the agenda before it is mailed. An agenda will be sent to all Board members prior to the meeting.

FACT OR FICTION!?!?!? Did Sam Gains sale his boat to Austin Ernsperker for \$10

Reminder please don't park on leach line in the boat yard. This is the area between the boats and the fence,

Any campground issue should brought to the campground manger to address and correct. Also a reminder Russ is responsible for taking care of the campground facilities an not working on personal property.

Parking is tight at KRC on weekends
Just a reminder for those on the "Entrance and Exit" rows. On weekends, if you have multiple vehicles, all but one must be parked on the bottom level or in the boatyard if space is available. One vehicle per campsite on weekends. No exceptions...

We would like to thank everyone for cleaning and beautifying their campsites. I will be photographing some of the beautiful flowers and decorations for our video and website. It has been brought to my attention that things have been left to pile up behind some campers. As the accumulation of rubble inspires mice, bugs and snakes to make a home there, we ask that you clean and organize any rubble around your camper. This week we will be checking behind and beside all campers for piles of discarded items that may look like trash. Please clean up any of this rubble around your camper. If it will fit in the dumpster please discard it. If you have anything lying on the ground, and would like to keep it, please organize it in a closed container.

If you have any questions about this ask Nelda at the office.

WI FI AND INTERNET USE AND KRC WEBSITE

Until the band width increases on Steele Branch Road, we are asking all campers to be courteous with the Wi Fi use. Please do not stream videos or music on the KRC internet. It takes up too much band width and others are unable to use it.

The website address is:

Share the good news

River Blast

Share the good news that we'll be able to navigate the Kentucky River to Frankfort this summer. Although the locks will be open at the end of May, the city of Frankfort is announcing it's 2015 River Blast event for June 26th and 27th to commemorate their efforts.

KY River Authority has opened the Locks to Frankfort making 65 miles navigating on the Kentucky River from Carrollton to Frankfort. You can find a link to the KY river charts on the Resources page of Louisville's PortKY.com site. Lock 2 is at Lockport, and Lock 3 is in Monterey, KY. Lock 4 at mile 64, just before you get to Frankfort and old capitol area downtown.

As for the lock schedule, the KY River Authority has indicated the following summer hours of operation: Fridays, Saturdays and Sundays from 10:00 a.m. to 7:30 p.m. Additionally, they will be open for three special Mondays, May 25, July 6 and Sept. 7, from 10:00 a.m. to 7:30 p.m. These hours will move back one hour on Sept. 11th, becoming 9:00 a.m. to 6:30 p.m.

If you're making a weekend trek to Frankfort, you may consider spending the night here. If you plan to cruise a large boat at 7 kts., for example, you'll be looking at 10 hours of running time up the Kentucky River, plus locks. You can see how you'd easily spend all day Friday making the trip up, then Sunday heading back.

The people at the Kentucky River Authority tell us that they welcome our business, and can make extra hours available during the week to accommodate a group of boaters planning to come up. It would be kind of like the Erie Canal, where a lock master can run a group through a lock, then drive to the next one to meet you. You can see that special arrangements must be made in advance if your group is planning such a cruise.

Special Lock Notes:

There is an instructional sheet for the locks available through the Kentucky River Authority, and we'll include a link for them and make them available on our site in time for the summer. A few notes to consider are that you'll need 2 lines available, each of at least 45' in length. Have one end of each attached to a cleat fore and aft, and the lock master will use a hook to pull them and position them around pins. This is similar to what you see on the upper Ohio River. A VHF radio would be helpful, and you can contact them on Ch. 13 for instructions approaching each lock.

The Kentucky River:

In general, you can expect to see depths of 15-20' or more as you head toward Frankfort. North of Frankfort, "Eddy Beach" reaches 3-4' near the bend, so be careful. There are lots of places to beach in the Frankfort pool, as well.
